The original version of this article [1] unfortunately contained errors that have since been corrected.

The reference to Table 2 in the first and second sentence under the Outcomes heading has been replaced with Fig. 3.

Under the Abbreviations heading ‘extrafine-particle’ was repeated, this has been corrected to ‘EF-HFA-BDP [Qvar®]: extrafine-particle hydrofluoroalkane beclomethasone dipropionate’.

The competing interests of Nicolas Roche and Theresa Guilbert have been amended.

Academic affiliations for Dirkje S. Postma (2), Richard J. Martin (3), Ron M.C. Herrings (4), Jetty Overbeek (4), and Nicolas Roche (7) have been corrected.
